WHO WE ARE

Al-Awda-NY, The Palestine Right to Return Coalition, is a broad-based, non-partisan, democratic, and charitable organization of grassroots activists & students committed to educate, advocate and help implement the rights of all Palestinian refugees to return to their homes & lands of origin, and to full restitution of all their confiscated & destroyed property in accordance with basic human rights, liberties and principles.

What We Do:

Work to empower Arab & Palestinian youth & communities, in Palestine and the diaspora; educate about the Palestinian struggle through grassroots organizing in the streets, institutions of education & other forums; normalize discourse that demands the rightful return of all of Palestine, 1948; provide direct humanitarian assistance to Palestinians in Palestine & in refugee camps.
